OFFICE OF FINANCE NOTICE NO. 14-81

25X1A

SUBJECT: CY 1982 Overseas [ ] Finance (MF) Vacancies

1. Attached is a list of positions at Class A and B Stations which are expected to become vacant during 1982. This list is based on data available at this time, and it should be noted that some of the projected vacancies may not be filled in 1982 due to possible extension or position changes. As you know, nominations are made to the respective components having jurisdictional control of said position.

2. The MF Career Subgroup has in the past been approached to fill certain administrative assistant/officer positions overseas belonging to the MG Career Subgroup. These positions generally do not require the degree of Finance professionalism necessary for a Class A Station but do provide a considerable amount of financial experience in handling Class B accountings as well as a means of obtaining support experience in the areas of general support, personnel, logistics, and security. Information as to such vacancies, their number, location, or timing will not be available for CY 1982 until a much later date.

3. You are encouraged to indicate your interest in being considered for one or more of the MF positions listed on the attachment and/or preference for MG type assignment mentioned in preceeding paragraph, by forwarding a memorandum to the Career Management Staff, Room 1213 Key Building. If you prefer to discuss the qualifications required for these positions, please contact your appropriate Career Management Officer (extension [ ]) for an appointment.
